Re: Right-to-Know Law Request No. 19-0191

Dear Requestor:

This letter acknowledges receipt by the Pennsylvania Department of Transportation ("PennDOT") of your written correspondence, which is being processed under the Pennsylvania Right-to-Know Law ("RTKL"), 65 P.S. § 67.101 *et seq.* PennDOT's Office of Open Records logged your correspondence as received on February 25, 2019.

You requested "[r]ecords that contain information on how many specialty [']Choose Life['] license plates were sold from 1997 onwards."

You are hereby notified that, for the reason set forth herein, I have determined that PennDOT requires up to an additional thirty (30) calendar days, i.e., until April 3, 2019, in which to provide a final written response to your request in accordance with Sections 902(a) and (b) of the RTKL. 65 P.S. §§ 67.902(a)-(b). PennDOT requires the extension to make a legal determination whether the requested documents are records subject to access under the RTKL. 65 P.S. § 67.902(a)(4).

If this extended deadline for PennDOT's final response falls on the weekend, a Commonwealth holiday or any closure of Commonwealth Offices, your response may be sent to you the next business day.

If you have any questions regarding this letter, please contact this office at the e-mail address below or by mail.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Gargiulo", written over a light blue horizontal line.
